Prepare to be swept away by a heart-warming tale of family relationships and love

Three women. Three generations. Sacrifices for love...

Who is she really? Nicole is about to find out as she searches for her real mother; the woman who gave her away at birth. With her marriage in tatters, she sets out from England: travelling to Spain, Jersey and Guernsey before the extraordinary story of her real family is finally revealed.

Nicole becomes an unwitting catalyst for change in the family. Two women are forced to reveal long-buried secrets. One going back as far as the Second World War. Lives are transformed as choices have to be made and the past laid to rest...

This contemporary romantic drama is the second of The Guernsey Novels, a series of stand-alone books by the award-winning author Anne Allen. It is likely to appeal to lovers of the works of Joanna Trollope and Maeve Binchy.

"A sensitive, heart-felt novel about family relationships, identity, adoption, second chances at love... With romance, weddings, boat trips, lovely gardens and more, Finding Mother is a dazzle of a book, a perfect holiday read." Lindsay Townsend, author of The Snow Bride
