See The Genesis of Frost Studios In This Sexy, Dramatic Prequel

Dane Frost hasn't always been a superstar tattoo artist. Like most celebrities, his beginnings are considerably more humble. Before Dane can make big moves in the world, he's got some serious self-exploration to do.

When a new hire, Abby, enters the scene as a guest artist at the seedy studio where Dane works, he is unexpectedly enamored of her.

Normally identifying as gay, Dane sees a woman who is every bit as strong as she is beautiful. Her ability with a tattoo gun is nearly unmatched, but it's her throaty laugh and dangerous curves that have Dane under her spell. Dane is thrown by this new sexual confusion, but he knows as well as anyone that he can't choose the people who enter his life and what effect they'll have on his future.

Thankfully, Dane doesn't have to go it alone. His extremely supportive and dashing handsome boyfriend, Hector, is faithfully at Dane's side as they both embark on a passionate journey toward broadening their sexuality.

Now all three of them will have to grow as people in order to navigate an emotional and romantic minefield. The results will do nothing less than shape Dane Frost's entire future as a lover and an artist.

Although this prequel novella is technically the third book in the "Ink For Three" series, please note that each book is a *standalone* MMF Bisexual Romance Novel with some VERY steamy scenes, an HEA ending and *no cliffhangers!*
