Return From Heaven: Beloved Relatives Reincarnated Within Your Family Carol Bowman

What if you could see a loved one who has died, not in a future spiritual realm, but here and now, in this lifetime?

It is possible, says Carol Bowman, author of *Children's Past Lives* and a pioneer in reincarnation studies. Based on in-depth research and direct observation of very young children, she shows in this groundbreaking book how common it is for beloved relatives to reincarnate into the same family. Typical families share how their children -- some as young as two and still in diapers -- speak spontaneously of intimate details from the lives of a family member they never knew. These true stories shed new light on age-old questions of family relationships: Do we choose our parents? What relationships survive death? What happens to the soul after a miscarriage or abortion? Bowman offers hope for anyone who has lost a beloved relative and longs to be reunited again.
