This Billionaire Bear Shifter Is Too HOT To Handle!

Jacinta has been happy living the quiet life, not letting men in. She has no idea that the quiet guy who regularly frequents the bar where she works, will soon shift into a part of her life she's never expected... never dreamed of!

Chase has always hungered for the taste of women, many women, and easily conquers most of the targets he pursues.

But when his bear-shifter instincts tell him it's time to find a mate, he finds a special target with a special scent, and cannot ignore his impulses.

As the two are magnetically drawn to one another, will Jacinta find love in such a gruff, strange, yet ruggedly handsome man? Or will the shock of his true nature be too much for her quiet world to handle? Once she gets a taste of Chase's animal allure, chances are she won't be able to resist!

AUTHOR'S NOTE: This is a HOT standalone romance with an HEA ending so you're never left hanging! This book contains mature themes and language, and is intended for 18+ readers only.
