Read all ten stories about a secret vigilante group that does whatever it takes to assure the safety and survival of the close-knit community being held in a military safety camp full of drugs, crime, and secrets that put everyone's lives at risk. [Less](#)

Avery and Mike always had a plan in case a catastrophic event took place, whether it be Mother Nature taking vengeance on the parasites that spend their days slowly destroying her, or the conspiracy theorists notion of another world war just waiting to happen, but when the latter appeared to be coming true, they wasted no time jumping into action.

While the news made it clear that everyone was urged to stay indoors, Avery and Mike stuck to their plan and robbed every closed gun store and pharmacy they came across.

After gathering the things they believed would help keep them alive, they headed back to Avery's house where it only got worse. January 1st, 2015 at 12 am a huge terrorist attack took place in every major city, killing thousands of people. Even people in small town neighborhoods came outside claiming innocent lives of Americans just minding their own business.

Avery and Mike watched as people who Avery thought were just normal neighbors, friends, local store owners, and even some school teachers opened the doors to their homes and began shooting at anyone passing by.

It wasn't long before police arrived and helped get things under control, but when the military showed up, Avery and his friends were in for more than just terrorists attacks. Their home town was turned into what the Government called a safety camp. The next two years were filled with fear and desperation. Some people so hungry or thirsty that they would rob or steal, and in extreme cases kill. Some people so sick that they couldn't even eat if they did have food and the military barely lifted a finger to help. That's when Avery and his friends decided that the Government made criminals (G.M.C.) would do what they could to fight back and protect their community, and then, The Zombie Gang was born.

With The Zombie Gang sneaking out to fight the enemy for food and supplies, and sneaking back in to fight the corrupt military, the people of Camp Overlook had a chance, and soon The Zombie Gang grew infamous all over the states and inadvertently grew an army of their own.
