The Girl Next Door (Taboo Erotica) (American Taboo Book 1) Arabella Keppler

Angela Stutt has been away from her old neighborhood for four years. The years she spent in Europe with her mom have changed her into a beautiful young woman. The transformation isn't lost on Jason, the man next door, who gladly invites Angela to come along on a trip to the beach.

Angela is more than happy to come along, and take a good look at the man she's had a crush on all through her youth.

When Jason catches her smoking in the bath room, it doesn't take long for their conversation to take a turn towards the more sensual.

'I couldn't help noticing you look at me differently now,' she whispered.

He took the cigarette from his mouth and tried to pull his other hand from beneath Angela's. She wasn't going to let him.

'You must have been thinking about me after I left. Thinking of me and wondering what kind of woman I'd turn out to be when I'd return.'

'Angela, I...' Jason sighed.

'Shh, it's OK,' Angela interrupted. 'Are you happy with how I turned out?'

Finally Angela can act on those old desires that she's had for years. Jason will quickly find out that Angela has changed in so many ways.
