## First Love: Jake & Sabrina (A Second Chance Romance Book 0) Lena Hart

When freelance computer tech Jake Landon comes to Sabrina Monroe's rescue her first day on the job, the two develop a sudden attraction that neither can ignore. While Jake sets out to win her over, Sabrina is having a hard time forgetting the humiliating outcome of her last office "romance" and wants nothing more than to focus on her budding, new career—not the attractive "IT guy." Or so she keeps telling herself.

Yet, as the seductive pull of Jake's charm draws her unwittingly closer, causing tension and frustration to flare brightly between them, Sabrina is determined not to break her firm rule: never again date someone she works with. Ever. But the "rules of attraction" cannot be ignored, and Sabrina must decide if she is willing to release her inhibitions and give love a chance.

\*This story is a prequel to the novella *Because You Love Me*. Originally published December 2014 in the *Love in Black & White* anthology.
