## **Girl from Mars** Julie Cohen

A truly out-of-this-world romance from LBD star Julie Cohen

I, Philomena Desdemona Brown, do solemnly swear to forsake all romantic relationships... It's not like the vow, made by Fil and her three nerdy male best friends, seemed much of a big deal at the time. Frankly, Fil wouldn't know romance if it hit her in the face, and with her real love being her artist job at Girl from Mars, the comic whose heroine has never had a love interest, she doesn't exactly mind being relationship-free anyway. Until her world is rocked to its core when one of her long-standing quartet and Girl from Mars herself both unexpectedly fall in love. Is it time to give in to temptation and finally fall in love?
