Minimalist Investor/Maximum Profits is a book that will help people with an unwavering interest in the moneymaking world of the stock market. It is easy to read and full of useful insights that you could grasp directly and should teach you the basic strategies to invest profitably. As the author boldly declares right in the preface, "In this book I explain how to evaluate stocks, how to select winners, when to buy, when to hold a stock, and when to sell . . ." This little volume showcases the author's extensive knowledge and in-depth analysis as he probes the heart and soul of the matter using an approach he aptly called "minimalism." Concise, lucid, and straight-to-the-point with informative graphs and statistic, this tome will be a new bible to potential businessmen and women out there who want to seek advice and instructions in building a better and brighter future. It will show you how to invest confidently and profitably with a minimum effort.
