## **Senior Care is Booming!** Anthony Nelson

The trend in senior care services will continue to experience an upward spiral in demand as baby boomers age. In 2001, the first of the baby boom generation reached what used to be known as retirement age. For the next 18 years, boomers will turn 65 at a rate of about 8000 a day. As this unique generation grows older, they will transform the government institutions and businesses that serve them. "Senior Care is Booming" will give you the tools to take advantage of this growing market.

This is one of the most complete "how to" books on starting a senior care business. The advertising and marketing sections of "Senior Care Is Booming" are well worth the money! Don't start your new senior care company without buying "Senior Care Is Booming" first. If you already own a senior care business and want to take your business to the next level, "Senior Care Is Booming" will be a great first step to realizing your goals. "Senior Care Is Booming" will provide you with what you need to start a part-time or full-time senior care business from home or from an office! "Senior Care Is Booming" will provide you with alternative senior care services that very few companies provide and will help your senior care business stand out from the competition. These alternative senior care services will provide your senior care business with substantial additional profit!

If you are serious about starting a senior care business or want to grow your existing senior care business, don't go another day without "Senior Care Is Booming"!
