Code Breakers Complete Series: Books 1-4 Colin F. Barnes

“One of the best Sci Fi series I’ve read in a long time.” [Catherine Laurin - Reviewer]

Book Description: Code Breakers has been one of the highest rated sci fi series on Amazon for the last four years, with over a million downloads and conversion into an RPG setting. Containing all four novels of the series, this box set will delight fans of gritty post-apocalyptic fiction, with a cyberpunk flavor.

Often compared to the early works of William Gibson and Neal Stephenson, Code Breakers is a fast-paced, action-packed and thought-provoking series. Barnes has injected the world full of interesting characters, AIs, droids, and advanced tech in a post-cataclysmic setting where the very idea of freedom has to be fought for.

Join Gerry, Gabe, and Petal in this epic tale of survival, cutting edge science, and a thrill-a-minute adventure that will have you turning pages as fast as you can, as our heroes struggle for their lives, and for the future of humanity itself.

Contains four full length novels: Alpha, Beta, Gamma, and Delta with a special offer included inside (at the end of the book).

**** Download today for Free for Kindle Unlimited subscribers. ****
