*Don't let the revolution in math education pass your teachers by!*

Individually, the Common Core and RTI are formidable enough. Together, they create a “perfect storm” of challenges, with most teachers left wondering where to turn first. Finally, here’s a resource that distills the central elements of the Common Core and RTI into a single, manageable instructional strategy for serving all students. It provides:

- Real-world scenarios
- Classroom-ready work samples
- Content-area applications
- Recommended online resources
- Guidance on special-needs students, behavioral issues, ELLs, and parent involvement
