Silo Saga: Echoes of the Before Time (Kindle Worlds Short Story) t.e. George

Above the forbidden levels of Silo 20, people are free. Free to call themselves citizens of a stable and peaceful republic. Free to cling to the hope of what is beyond the Cleaning. Free to sleep among the mounds for the good of all.

Not so for those in the Down Below. For them there is nothing but the fields and labor and death ... Until now.

Echoes of the Before Time is the first installment of a series set in Hugh Howey's world of Wool..

Jook hears something there that points beyond mindless existence. It is a sound that resonates with a dim reminder of what true freedom is and it will shake Silo 20 at its very core.

His world will be soon be filled with and forever changed by —
Echoes of the Before Time.
