Starters Bake & Like with Adrian and Super-A: Life Skills for Kids with Autism and ADHD (Starters Workbook) Jessica Jensen

The Adrian and Super-A *Life Skills Workbooks* are full of Lego bricks, building blocks, and things from your child's life! Find Life skills challenges mixed with a child's strengths and interests. In this STARTERS Workbook your child will help Adrian and Super-A bring out the right things for baking. Learn together with our young superhero how to measure sugar and to understand that we can feel differently about the same things. And ... how many cookies do we need today? The colorful everyday situations and familiar book characters will engage any wanna-know-why boy or girl! For more fun learning, cut out the small memory game and Raily the Train with his pictograms!

Life Skills in this Adrian and Super-A Workbook:

- What do others like? Who wants it?
- How do we bake (and not)? What do we need?

The workbooks are specially tailored for the children with autism and ADHD, as well as their strengths and difficulties. The exercises will help develop your child's executive functions and theory of mind by teaching even a young child to think in steps and understand how others feel. Parents as well as kindergarten or special education teachers can use the *STARTERS Workbooks* for children three years and up. The *SMARTIES Workbooks* are suitable for children who can grasp multiple choices at once. Let the motor skills determine how to answer: Point, draw, or give a thumbs up with Thummie the Thumb.

This workbooks builds on the life skills from the book *Adrian and Super-A Bake and Like Differently*.
