Until We Meet Again Michael Korenblit, Kathleen Janger

"Until We Meet Again" reads like a novel, yet tells the compelling true story of two families decimated by the Holocaust. In 1942 in a small town in Poland, 17-year-old Manya goes in hiding with her sweetheart, Meyer, also 17, & his family. For three long years, Manya & Meyer endure the loss of parents & siblings, separation from each other, & the horrors of concentration camps, including Auschwitz - but are helped at key points by courageous Polish Catholics & are constantly sustained by their faith & their love for each other. Co-authored by their son Michael, "Until We Meet Again" has been praised by historians for its vivid portrayal of the times, by teachers for its educational usefulness, & by all readers for its absorbing & inspiring narrative. Michael Berenbaum of the United States Holocaust Memorial Museum says, "Korenblit & Janger show that whoever retells the story of one person recovers an entire world, in all its complexity & drama...One can only admire this well-written work of filial devotion."
