Beware the blue moon, for on its eve a beast will come.

Count on Love, the premier vampire dating service, is Lavanya's company and her passion. With eight eccentric clients ready to meet—and mate—Dracula's Daughter plans a weekend retreat at her ancestral home in Romania. Everyone's thrilled with the arrangements—until the prophecy comes true.

Zev thought he knew—and hated—everything about vampires. But to gain his freedom from a life of servitude he agrees to protect Lavanya while she's in Romania. The task is more dangerous than he'd expected, and Lavanya herself only makes it harder.

In more than two hundred years, Zev's never met a vampire like Lavanya and he can't deny the powerful attraction he feels for her. But between his demons and the threats from Dracula and the witch, he'll be lucky to survive long enough to claim her.

For Lavanya, Zev awakens an insatiable passion that defies her psychic powers and tests her beliefs. However, after a shocking betrayal, Lavanya learns that controlling a beast isn't the same as taming it. With her life and her heart in danger, Lavanya must take a leap of faith and choose between two evils to seize the love she craves.
