Onyx's search for answers about her time in The Forest of Eternal Night is put on hold when Rome is made aware of those breaking the rules within the vampire community. It's up to Onyx to head to New York and sort out what's really going on— only to find her abilities are no longer working. Onyx is all but cut off from her friends and resources as she tries to figure out who is up to no good with a little "old fashioned" investigative work.

Could it be a well laid trap? Is Rome up to another one of his games?

Onyx finds herself swimming in uncertainty as quickly as she finds herself surrounded by enemies within the community.
