I told her to stay away from me, but she wouldn't listen...

ADAM

I'm no good for her, and I can't catch a break. Cast out of the MC, I'm on my own with no protection, just the gun in my hands. That's when I meet her. And I know I'm about to ruin her damn life.

Brimstone. Fire. Sinners. Users. This is who I share blood with. But there's no one to trust when your whole crew has turned on you. I can't keep running from my demons. It's time to face them head on.

ROSE

I need an escape. This small town will be the death of me. I watch as he comes to claim me and I can't fight it. I wanted to make my family proud. I wanted to be their good daughter.

Not anymore. Not today. Not since I met him.

He knows who I am. He sees me from the inside. He protects me. He's my salvation, my one ticket out of here. But Adam is damaged. And he has a price on his head. Now we're forced to go on the run, fighting off the Cartel and undercover Feds.

There's a fire on the horizon. We're going to get burned.

Author's note: Burnt is a full standalone romance novel from the series Courage MC, with its own HEA and absolutely NO CLIFFHANGERS!?
