When Kathy Boudin was arrested in 1981 after a botched armed robbery and shootout that left a Brinks guard and two policemen dead, she ended a decade living underground as part of the radical Weathermen underground; she would spend the next 22 years in Bedford Hills prison. In **Family Circle**, Boudin's former classmate Susan Braudy vividly re-creates the radicalization of this intelligent, privileged young woman who came from one of the most prominent liberal intellectual families in America. She illuminates Boudin's relationship with her parents --and particularly with her father Leonard, a famous leftist lawyer--and shows how Kathy, swept up in the ferment of the late 1960s, moved further and further from the Old Left ideals they embodied.

Based on extensive interviews, court documents, and Boudin family papers, **Family Circle** is both a rich biography of a family and a intimate window into a turbulent and fascinating time.
