Final Incal - Ultra-Deluxe Collector's Edition Alexandro Jodorowsky

Lowly class 'R' detective John Difoole and his faithful companion, Deepo, are unwillingly hurled into yet another universe-saving mission, as their world is faced with the threat of an all-devouring metallic virus. Visionary storyteller Jodorowsky returns to the epic mythology he created with the late Mœbius in the early 80s. For the conclusion of the legendary spiritual space adventure series, he partners with Eisner-winning artist Ladrönn ("Cable," "Hip Flask," "Elephantmen").
