This package includes in the Mystics series:

The Seventh Sense

The Alpha Nation

The Nexus

THE SEVENTH SENSE (Book 1)

Fourteen-year-old Zoey is a street-savvy orphan, careful to live life under the radar, because of a powerful secret—she can see monsters. But her life changes forever when she's unwillingly recruited by a mysterious society called The Agency, a group of people that share her ability to see the supernatural. Zoey is whisked off to a strange place, where monsters and humans coexist, where leprechaun gangs, giant fairies and vampire bowling balls are the least of her problems. Along the way, she discovers a treacherous plan that points to a demon invasion, and possibly the end of the world. Zoey is determined to uncover the truth—but the closer she gets, the more she risks her life.

THE ALPHA NATION (Book 2)

After a summer spent trying to prevent a catastrophic outbreak of illegal mystics, Zoey St. John starts her second year in the Operative program at the Agency. But things don't stay quiet for long. Zoey soon discovers the global infrastructure that allows humans and mystics to coexist is under threat: the mirror-port matter transfers and borders which protect the Hives have been poisoned by a mysterious black oil, and the only safe haven for the Seventh is on the verge of being overrun by evil mystics and Alphas. To save the Hives, Zoey and her friends—Tristan and Simon must infiltrate the Alpha City to find a cure for the black oil before the Hives are destroyed.

THE NEXUS (Book 3)

When Mrs. Dupont used Zoey to set the The Great Junction in motion: the event that occurs when two portals from different worlds align and make a permanent doorway, with it came disaster. The two worlds cannot withstand the pull of The Great Junction, and now the worlds are collapsing. What's worse, Zoey uncovers that her mother is kept prisoner in the Nexus. Together with her friends, Zoey must find a way to undo the damage, save her mother, and close the portals from both worlds before it's too late. Because if she doesn't both worlds will end...
