Sixteen years ago the Kingdom of Winter was conquered and its citizens enslaved. Now the Winterians' only hope for freedom is the eight survivors who managed to escape. Orphaned as an infant during Winter's defeat, Meira has lived her whole life as a refugee. Training to be a warrior—and desperately in love with her best friend, Winter's future king—she would do anything to help the kingdom rise to power again. So when scouts discover the location of the ancient locket that can restore Winter's magic, Meira decides to go after it herself—only to find herself thrust into a world of evil magic and dangerous politics—and ultimately comes to realize that her destiny is not, nor has it ever been, her own.
