## Wanted by the Vampires

**Atticus Lane and Declan Temple two tall sexy vampires - and they're bored. They've spent their long lifetimes in a decadent haze of debauchery and sin. Their primary pleasure? Finding a woman for one passionate night, then moving on to the next.** Now it's the year of the vampire, and everyone wants a piece of them. The problem? The game has become too easy, too clean.

Atticus proposes a wager to ease their ennui. He picks one girl from the crowd, the gorgeous Jennifer Steiner, and proposes that they court her individually. Whomever she falls for first wins the bet, and gets the girl and a luxury property of their choice.

Jennifer is a master's student who knows better than to give in to the advances of the two handsome immortals. In her experience looking for love only leads to pain, and those two men threaten to drop her into a whole world of hurt.

Even if the pair can hide their plot from her, there will still come a time to choose. But how can a person choose between losing one hand or the other?
