Continually being prompted to raise the stakes in the bedroom, Kelsey dresses up for role-play games as his nurse, maid, cook, and naughty schoolgirl. But the insatiable Donovan pushes for more and sends her to act out her sexual fantasies with the help while he watches from a hidden location.

The pressure remains on Kelsey to run the show even when Donovan can't be present. She must figure out how to record her sexual escapades as well as continually find new partners to seduce in front of the hidden cameras.

Sometimes even the best plans go awry, and the results can be devastating—or divine. Kelsey finds the future of her marriage hangs in the balance.
