The Handy Answer Book for Kids (and Parents) (The Handy Answer Book Series) Judy Galens, Nancy Pear

Kids ask the darnedest things. If you've ever tried to fend for yourself in this alien world, you know that a book like this is long overdue. *The Handy Answer Book for Kids* addresses nearly 800 queries that only a kid can think up. It's easy to understand and organized by simple topical chapters, permitting kids (and parents) to help themselves. Born in a moment of quiet desperation, it easily handles the occasional solitary stumper lobbed like a live grenade, like *How many stars are there?* It's more than a bunch. *What did people use before toothbrushes were invented?* With *Handy Kids*, love means never having to say I don't know. Chapters include Earth, Sky, and Beyond; Me, Myself, and I; My Family and Friends; Being Green (about the plant world); How Things Work; Home Life and School Days; World Tour; Animal Neighbors; and others.
