Wish on a Unicorn Karen Hesse

Now I didn't believe a broken-down old unicorn could make wishes come true . . . not for a minute. But what if it could?

Mags has a lot to wish for—a nice house with a mama who isn't tired out from work; a *normal* little sister; a brother who doesn't mooch for food; and, once in a while, she'd like some new clothes for school. When her sister Hannie finds a stuffed unicorn, Mags's wishes start to come true. She knows the unicorn can't really be magic, but she won't let anything ruin her newfound luck—even if it means telling her own sister to believe something that can't possibly be true.
