I've never known anything as good as holding Lily Burns in my arms. The only female member of the Hellfire Riders, she's always fighting—and the last fight she won is bringing hell down on her head. But it's not the Devil's Hangmen that worry me. Because there's power and money moving behind the scenes, and a target on Lily's back...and I'll do anything to make sure she's safe, even if it means standing as her shield.

Even if it means losing her.
