## **Catch & Hold-Legend (Legend series Book 5)** Claudy Conn

Radzia MacDaun's mission of vengeance has turned into a rescue operation... but will she need to be rescued, too?

When Gaiscioch killed her father, Radzia—Z to her friends—vowed to take the Seelie traitor down as painfully as possible. Plans for revenge were put on hold, however, when Gaiscioch abducted her housekeeper and friend, and Z had no choice but to dive into the pit to save her.

Now, in the heart-stopping conclusion to the Legend series, the half-human/half-Daoine Fae finds herself in the Dark Realm, where she'll have to fight Gaiscioch on his own turf. Danté, Prince of the Tuatha Dé and Z's lover, is not about to let her face this danger alone, however, and the two of them are thrust on a ride that takes them to the edge of life as we know it...

Will they survive?

Will the Fae Realm survive?

Damn, will any of us survive?

If you enjoyed the Legend series, Claudy Conn has a spin off, called Prince in the Mist about Prince Breslyn, and also just released on May 8, 2012, Prince, Prelude-legend which gives the backstory of Spellbound-Legend.
