Ernst Haas: On Set

Ernst Haas: On Set

This book considers the film stills of Ernst Haas (1921-86), one of the most accomplished photographers of the 20th century, transgressing the borders between still photography and the moving image. Haas worked with a variety of eminent directors--from Vittorio de Sica to John Huston, Gene Kelly and Michael Cimino--and depicted cinema genres from suspense (*The Third Man*, *The Train*) to the Western (*The Oregon Trail*, *Little Big Man*), and from comedy (*Miracle in Milan*, *Love and Death*) to musicals (*West Side Story*, *Hello Dolly*). Haas inscribed a temporal, filmic dimension into his stills which, when viewed in a sequence, generate movement and narrative. So accomplished was his mastery of color, light and motion that Haas was frequently asked to photograph large group actions--from the battle scenes of *The Charge of the Light Brigade* and the dances of *West Side Story* to the ski slopes of *Downhill Racer*. *On Set* elucidates a novel perspective on the sets and the stars Haas photographed, and reveals a little-known but crucial dimension of his oeuvre.
