Highliner: The Nature, Philosophy and Science of Automobile Driving M. D. McGinley

Every blue moon, a book comes along that can change history. **Highliner--The Nature, Philosophy and Science of Automobile Driving** was over thirty years in the making, slowly tempered over time, like gold in the fire. Elegant and refined, yet easy to understand. Whether for teen drivers or senior drivers, and everyone between, *Highliner* sets a new driving standard, complete with codified Rules of the Road and a Driver's Code of Conduct--perfect for drivers from all walks of life. Residential driving and arterial driving are shown like never before, plus high-speed driving and freeway driving. The driving photographs and driver's education topics define *Highliner* as inimitable, with unmatched coverage of biochemistry, driving psychology and driving philosophy, and many other fields of study, that make it the best driving book and self-help book available.

Not only is *Highliner* the best driving book with pictures, but there are also things to do. Take a coffee break. Crossword puzzles and word search puzzles to complete. Mazes to explore and hidden objects to find. Learn why the people who suffer from road rage and negligent driving or reckless driving are often no different than you. Learn how to control the killer instinct in us all. Driving science is important, but it's also about living longer and enjoying a higher quality of life. Young drivers want to be able to ace the driving test and get out on the roads. Slow drivers, fast drivers, aggressive drivers and others are detailed like never before. Drive with confidence, without fear. What sets *Highliner* apart is the photo gallery of hundreds of driving pictures that show turning angles, parking, accelerating, braking, reversing, merging, night driving, passing and changing lanes, plus traction, vehicle control, traffic formations and how they are all related to collision avoidance. Over 1,100 pictures and fascinating diagrams of assorted driving scenarios give you the leading edge when it comes to driving today and beyond--all in a neat, clean and attractive volume.

Highliner has it all. Nothing else even comes close at any price. Take a look at the Search Inside feature and see for yourself!

Investment opportunity: *Highliner* is for sale, either for outright purchase of copyright and all publishing rights, or partial rights with royalties. There is no limit to the profit potential, and drivers of all ages around the world can benefit from this unique work. The buyer would acquire all intellectual and publishing rights, including all composition files and finished .pdf files for an immediate second printing or a revised first edition. For more information, contact the author or publisher today!

This is the Limited Signed First Edition of *Highliner*. The print run is limited to only 100 copies. The title is stamped in green foil, and the author signature is signed in diminishing rarity as follows: black ink, 64 copies (# n/ 64/ 100); blue ink, 20 copies (# n/ 20/ 100); red ink, 10 copies (# n/ 10/ 100) ; green ink, 5 copies (#n / 5/ 100), and one copy of 100 signed by the author in purple ink (#1/1/100), all distributed at random until depleted (there is also a Presidential copy signed in purple ink that was sent to President Obama). This adds collectible value to your book while at the same time offering the most extensive and comprehensive book available for drivers.

THE KINDLE EDITION of *Highliner* does not contain the photographs, diagrams, puzzles or mazes included in the paperback edition due to its complexity and sheer amount of data. The Kindle version,

however, has new narratives not present in the paperback edition. In either case, the reader is offered the most informative, educational and entertaining driving book available. Get it now!
