*Novel Summary:* The French Revolution is in full swing and Paris is awash in fear and the blood of its own nobility. However, one mysterious man (some say phantom!) seems able to whisk away doomed nobles seemingly from under the very nose of the executioner the infamous Scarlet Pimpernel. French official Chauvelin will stop at nothing to uncover the Scarlet Pimpernel's identity, including forcing the unwilling help of Marguerite Blakeney, French wife of England's richest and most foppish lord, Sir Percy Blakeney. In this world of intrigue, death, and danger, nothing is as it seems.

Looking for more than activity sheets or a who-did-what series of questions? Want to dig into the essence of the novel? This study guide provides easy-to-use, reproducible lessons on literary terms, comprehension and analysis, critical thinking, related scriptural principles, vocabulary, and activities, plus a complete answer key. Examines issues from a Christian perspective. Excellent for private schools and home study. Also an excellent reference for public school teachers, but biblical references may have to be removed.

This CD-ROM version of the study guide contains an interactive .pdf file in which the student can enter his or her answers and save a copy of the file. No papers piling up! The CD contains the interactive study guide file, a full answer key file, and an instructional ReadMe file. The study guide file also may be printed for handouts. Using the CD, teachers may make student copies of the file for student use or may print out the pages they wish to use for handouts. (Files may not be posted on any website for student retrieval.) PC and Mac compatible. Requires Adobe Acrobat Reader 7.0 or higher (9.0 is recommended). Because many of the questions are short essay questions, student files are not autograded and must be graded with reference to the answer key.
