## Undone (Unraveling Novella) Elizabeth Norris

Riveting and romantic, *Undone: An Unraveling Novella* contains three short stories set in the world of *Unraveling*, the first book in the gripping sci-fi duology by Elizabeth Norris.

Before Ben Michaels saved Janelle Tenner's life, Janelle saved Ben when he stumbled through an interuniverse portal into a completely new world. That day, he fell in love with the girl of his dreams. And he never forgot her.

Through three stories told from Ben's point of view, learn how Ben and his friends discovered their ability to travel between worlds, how Ben first met Janelle, and how he pined for her for years before he actually got the chance to meet her, save her life, and capture her heart. And find out what happens to Ben between the cliff-hanger conclusion of Elizabeth Norris's *Unraveling* and the beginning of its heart-stopping sequel, *Unbreakable*.
