What our readers have to: *"This is an excellent book and I can enthusiastically recommend it."* By DarkScribe

A Beginners Guide to Companion Planting: Companion Gardening with Flowers, Herbs & Vegetables takes a look at some of the topics involved in maintaining a successful companion garden. Topics covered in this book include:

- History, reasons & benefits for companion planting
- Planning your garden including garden bed ideas and soil management
- Guides to beneficial companion plants including flowers and herbs
- Combinations of plants that work well together or to avoid
- Companion plants to encourage beneficial bugs into your garden

While there are a few different types of strategies, there are no hard and fast rules for which strategy you should choose, this book will help to guide you in the right direction.
