A great story about Chris, a teen, just getting his drivers license. Chris's parents expressed how driving is a privilege and not a right and the importance of safety. On his first weekend out with the car Chris had a close encounter with God that drove all that home.

I'm a firm believer that God works in the hearts and minds of children just as much as he works in the hearts and minds of adults. And I firmly believe a child can choose to follow Jesus and mean it for the rest of their life. I also believe children are very capable of making this important decision on their own.

We as parents are our children's primary teachers and we have a responsibility to share Christ with them. Hopefully, this will lead them to accept Jesus as their Savior.

I write my books in the hope that they help children see the greatness in God and that by following him they will truly live a a blessed and wonderful life.

All of my books are written to exemplify a strong Christian Value.
This one is "Knowing God"
