I once heard it said, "You cannot conquer what you are not willing to confront." Is this the reason many of us are crippled by fear? Do you stand up to your fears? Do you even acknowledge them? If only people would face their fears, speak to them in faith and with authority, and demand that they turn them loose, then and only then could they begin to walk in the freedom they desire and deserve! Are you that person? Would you like to be free from debilitating fear? Well, now is your time! This 21 Day Devotional and Journal will lead you through the process of confronting your fears, defending your right to be free, while declaring your faith. It will be an ongoing process, but very much worth the journey.
