Kirk's Fire Investigation(2-downloads) (7th Edition) (Brady Fire) John D. De Haan, David J. Icové
Taking the reader from the beginning stages of a fire investigation in evidence collection and evaluating a fire scene to the end stages of report writing and giving testimony, internationally recognized forensic scientist John DeHaan is joined by forensic fire engineering expert David Icové for the 7th edition of Kirk's Fire Investigation. The model curriculum of the Fire Emergency Service Higher Education (FESHE) group serves as a basis for this important text which provides updated and expanded information on fire dynamics, ignition as well as brand new case examples. With appendices unique in content and focus including an Evidence Collection Kit and Incident Report Forms, this text serves as the keystone text in the field for both seasoned fire investigators as well as fire service professionals seeking the fundamentals and the most up-to-date information for the field of fire investigation.
