A circle of friends is a thing to cherish. For Tessa Johnson a summer trip to the Blue Ridge Mountains of Northern Georgia is just the thing to take the edge off of a rough year and what has turned out to be a very tumultuous time for one of her friends. She has no idea she's heading straight into fate and a world she's only ever dreamed of. And her friends are coming with her.

A string of mistakes leads to some very interesting interactions with the very stoic Hale Masters. Tessa can't keep her eyes off him, and the promise of excitement and passion that flares in his eyes makes her school-teacher heart beat. He makes her want to let her hair down but she holds back. Would such a rich man be interested in her when her two beautiful best friends are far more his type? Or is she wrong and she's just what the Alpha male has been looking for?

Tessa finds herself conflicted and lost but with her friends around, encouragement to break her own rules is never far. Letting go is a hard thing to do but Tessa wants to give Hale all he asks for and more. An emergency at home changes her plans however and Tessa takes it as the answer she's been seeking. But is it really the one she wanted?

Author's Note: This is a stand-alone story with an HEA, so no cliff-hangers! Story contains mature themes and language, and is intended for adults readers only.
