Christian parents have a responsibility to make sure their children know and love God's Word. But what if you struggle as a parent to read the Bible yourself. How can you pass a love for God's Word along to your children if you struggle with it yourself? That was Carrie Ward's story. Until God gave her a plan to help her develop a consistent time in the Word, right along with her children. Readers will walk together with Carrie Ward, an everyday mama, as she journeys through the Bible with her small children one chapter a day. As her children re-enact the Bible stories readers will be able to see Scripture through the eyes of a child. Parents will learn how to impart God's truth to their children day by day, and will see its transformative power on their families. *Together: Growing Appetites for God* is an easy read and includes helpful tools for scripture memorization and charts to follow progress through the Bible.
