Caught Between Words Jorge E Garnica-Watson

“Caught Between Words” is a serious attempt to uncover some key words within the author and their meanings, which have been a recurring leitmotif in his life. “Caught Between Words” is also an emotional stance portrayed with words and the role they have played out in making him what he is today.

The book is a rosary of words, alphabetically arranged, sometimes subtly funny, other times serene, disturbing, soul-searching, and existential, but most of all, a serious innermost debate with himself, others, and the world. Also, it is an effort to reorder his world in such a way that that personal reordering might elicit some kind of alignment in itself, with the meanings he gives to it.
