#### **Joey Mendoza:**

In this time globalization it is important to someone to find information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information much easier to share. You can find a lot of sources to get information example: internet, magazine, book, and soon. You can see that now, a lot of publisher that print many kinds of book. The particular book that recommended to you personally is Charlie's Charts of the Hawaiian Islands this publication consist a lot of the information with the condition of this world now. This kind of book was represented just how can the world has grown up. The language styles that writer use to explain it is easy to understand. The particular writer made some investigation when he makes this book. Honestly, that is why this book acceptable all of you.

#### **Kirk Thomas:**

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Charlie's Charts of the Hawaiian Islands can make you

experience more interested to read.
