Aquinas Learning is a classical home education mentoring program guiding students toward wisdom and virtue. Peers meet once a week for instruction, discussions and oral presentations, led by trained mentors at local, independently owned centers licensed to use the Aquinas Learning program. Materials and online support are provided for parents to continue the lessons in their home schools throughout the week.

The Aquinas Learning program provides the students with the building blocks necessary for a liberal arts education that blends the Great Books and the Scholastic Inquiry approach. The 3-cycle curriculum is the framework from which parents can base their lesson plans throughout the school year across PK-10th grade, forming a harmonious comprehensive home education, benefiting the entire family.
