Hebrews to Revelation (Open Your Bible Commentary, New Testament Book 9) Leon Morris, H.L. Ellison

The nine books at the end of the New Testament address issues facing the early church. Hebrews was written to encourage Jewish Christians to persevere in challenging times. James gives forceful instructions in what the Christian life should look like. In his first letter, Peter talks about living the Christian life in the face of suffering. Peter's second letter, 2 and 3 John, and Jude all warn against false teachers. 1 John reassures readers that their faith is true and shows what it means to live in the light and love of God. Revelation, a largely symbolic book, says that God is able to triumph over evil.

The Open Your Bible Commentary was written to encourage daily Bible study. Each reading is short, but the content is rich with careful explanation, devotional warmth, and practical relevance. Nearly 150 daily readings let you explore these nine books at the end of the New Testament in depth.

The Open Your Bible Commentary has four great strengths:

- * Accessible – it's written for the average, thoughtful Christian without assuming a great deal of background, yet it is never superficial.
- * Digestible – it's written so you can read a section or two a day, working your way through an entire book of the Bible in days or weeks.
- * Dependable – it's written by an amazing group of scholars and trusted pastor-teachers.
- * Practical – it's a rich combination of specific application and encouragement to listen to God for guidance.

The commentary on each of these nine books is introduced by an overview, summary, outline, key themes, and relevance of that book today.
