Carlie Kyle was just a simple girl with simple goals. She had a career and she was content with it. All that seemed to be missing was something dangerous... profound... a taste of life that she seemed to be missing. All that changed when her best friend brought her to a bar where well-known motorcycle gang members tended to congregate. And one man - behind the bar - seemed to capture her attention. This man does not give her his name, but he's captivating in a way that she never imagined. And before she knows it, she's drawn into a world that she might not be prepared to handle.
