Billy Golden:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this 12,000 Words: A Supplement to Webster's Third New International Dictionary can make you feel more interested to read.
