Cheerful Chats for Catholic Children: Short Stories for Catholic Children with a Moral and a Prayer following each Anecdote. Mrs. Leane G. VanderPutten

This is a unique book of Catholic devotions for young children. There is nothing routine and formal about these stories. They are interesting, full of warmth and dipped right out of life. These anecdotes will help children know about God, as each one unfolds a truth about the saints, the Church, the virtues, etc. These are short faith-filled stories, with a few questions and a prayer following each one, enabling the moral of each story to sink into the minds of your little ones. The stories are only a page long so tired mothers, who still want to give that "tucking in" time a special touch, or pause a brief moment during their busy day to gather her children around her, can feel good about bringing the realities of our faith to the minds of her children in a childlike, (though not childish), way. There is a small poem and a picture at the end of each story. Your children will be straining their necks to see the sweet pictures! Through these small stories, parents will sow seeds of our Holy Catholic Faith that will enrich their families all the years to come!
