## Collective Remarks: A Journey through the American Dressage Evolution: Where It's Been, Where We Are, and Where We Need to Be Anne Gribbons

A world renowned dressage judge and former US Olympic coach, Anne Gribbons has had the unique experience of living the trajectory of the evolution of dressage in the United States—and has always been willing to share her knowledge and guidance in her popular column in *The Chronicle of the Horse*. Now, the best (and sometimes the worst!) of Anne's personal experiences over the course of almost 20 years are gathered into one immensely entertaining sourcebook of history, humor, and wit. Anyone with an interest in dressage, its controversies, and its most famous names will enjoy this collection of Anne's columns; but their true value is in Anne's ideas for improving our horses, our riders, and our ability to compete on the international scene with success and integrity in the years to come.
