Many women long to have a man desire them and be attracted to their total being. Well this man seems to be into his woman completely. Like a man in war, whose only communication or connection with his woman is a letter. This man allowed his pen and paper to express his longings and deep desires for his woman. Who said a man can't express himself? Who said men don't get all mushy? (how about a want to be man) Don't believe the hype. A real man does not have a problem expressing himself at all. When a man finds a woman he is truly in tune with in mind, body and soul, he will definitely let her know. Once a man expresses himself to his woman, it is only natural for her to respond back and let him know her feelings and thoughts toward him. Which is the 2nd book included. A lot of times, women are good at telling a man all the things she doesn't like in regards to him, but not offend do women express and share the good things. Well this woman has learned that you can catch and keep a bear with honey any day of the week. She has decided to be a new different bread of woman and love her man and encourage and uplift him. She had to learn how of course, because sometimes past relationships and friendships can taint your way of thinking or being.
