Matthew for Everyone, Part 1: Chapters 1-15 (The New Testament for Everyone) Tom Wright

Tom Wright's eye-opening comments on the Gospel of Matthew and what it might mean for us are combined, passage-by-passage, with his fresh translation of the Bible text. Making use of his true scholar's understanding, yet writing in an approachable and anecdotal style, Wright captures the urgency and excitement of Matthew's Gospel in a way few writers have.

Tom Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion with background information, useful explanations and suggestions, and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study, or daily devotions.
