on the seventh day, God took a little nap: An Unconventional Novel of Enlightenment in the Midst of "Global" Chaos J. L. Forbes

Waking up from a sudden epiphany on my Atheist friend's couch about why God rested on the seventh day was worth writing about, but I had no idea the journey that I was about to embark upon when I opened the Book of Genesis. I grew up in a Pentecostal church (which means super Christian) and never once did we talk about God resting, or the "firmament." I had to ask myself if these unmentionable topics were worth questioning. I conclude, they certainly are.

WARNING: Do not read this book if you are not open minded, if you are attached to physical reality, or if you think you're way is the only right way. This is not a religious book. Spiritually nourishing... absolutely, but the message in this story is the antithesis of religion.
