ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

COMPREHENSIVE HEALTH INSURANCE: BILLING, CODING & REIMBURSEMENT, 2/e provides students with the knowledge and skills needed to work in a variety of medical billing and coding positions in the medical field. Comprehensive in approach, it covers the foundations of insurance, billing, coding and reimbursement. Students learn not only the submission of claims to the insurance carrier, but also reviewing medical records, verifying patient benefits, submitting a secondary claim, posting payments and appealing the insurance carrier's decision. This edition includes new chapters devoted to HIPAA and ICD-10-CM Medical Coding, as well as outstanding coverage of electronic records. Numerous case studies and patient files are included throughout and demonstrate refunds and appeals, auditing and compliance, Medicare calculations and professionalism.
